

## Accessing your data

Please provide the following information to the Flow Cytometry Core:

Your name: \_\_\_\_\_

Lab/Primary Investigator name: \_\_\_\_\_

Your LRI domain username: \_\_\_\_\_

We will create a server directory that will be accessible by you and your lab.  
The directory will be found on the network here:

Mac: <smb://smb-isi1.lerner.ccf.org/FlowCore>

PC: R:\FlowCore

**Please be aware that you are fully responsible for your data. The Flow Core does not store backups of your files.**

Signature \_\_\_\_\_

Date \_\_\_\_\_

Thank you,  
LRI Flow Cytometry Core
